Dear Pastor Cooper,

Your leadership as Chair of the Commission on Gang Prevention and Intervention is very much appreciated. It is my responsibility and privilege under Municipal Code Article 6, Section §26.1902 (d) that during July of each year, I designate one member of the commission as chairperson. It is with continued confidence that I reappoint you as Chair of the Commission on Gang Prevention and Intervention for a term expiring July 1, 2008.

As a leader in the San Diego community, the Commission on Gang Prevention and Intervention will excel under your chairmanship. Our goal for the citizens of San Diego is to strategically address the current environment to break the cycle of gang violence. As Chair, you'll be instrumental in bringing together multifaceted and nontraditional partners and organizations to become part of the solution. I am confident that as the Chair of the Commission you will help lead this effort.

Thank you for your service over the last eight months. I take great pleasure in reappointing you as Chair of the Commission on Gang Prevention and Intervention.

Sincerely,
